

# Class 11

We have had a very fun-packed half term; the children have been incredibly busy and have produced some fantastic work. We have had visits from Konflux Theatre Company and have also performed our class assembly.

On the 17<sup>th</sup> November, Konflux Theatre Company came to work with the children for anti-bullying week. Over the day, the children learnt lines and acted out a play which educated the children in the dangers of the internet and how to stay safe against bullies on the internet as well.

On the 25<sup>th</sup> November, Class 11 performed their assembly for parents which was enjoyed thoroughly by all. The children worked in groups to create their own presentation to show what they have learnt this term.

The children worked brilliantly in their groups and even taught their parents some new things. We are very proud of what the children have achieved this term and the amazing writing they have produced.
