

# Class 11

Welcome to Year 6!

The children have fully settled into life in Year 6 and have been working extremely hard.

Our year started with our trip to Robinwood. The children were amazing! They pushed themselves to try new experiences, including jumping from the zipwire and facing the dreaded piranha pool! It was a great experience for all and a wonderful way to start the year.

In English this half term, we have been using the book 'Journey to Jo'burg' as inspiration for our writing.

The children explored the characters Naledi and Tiro and discussed the hardships these characters faced within the book. The children then wrote emotive pieces of writing from the point of view of one of the characters.

In our History and Geography lessons, the children have been learning about South Africa and Apartheid. The children have been very respectful whilst learning about the difficulties people in South Africa have faced and have posed interesting and thoughtful questions in order to further their learning. The children also researched Nelson Mandela in order to write biographies of this inspirational man.
